

PSCD PD session during first term, addressing the needs of our students: The workshops focused on understanding students as young people, using games as engaging educational tools, and developing discussion facilitation skills to promote critical thinking, participation, self-awareness, and wellbeing, in line with the PSCD methodology and learning outcomes in primary and secondary. Thanks goes to *Deborah Bonnici* and *Simon Schembri* for inviting us at **Agenzija Zghazagh**, our thanks extends to the youth workers who delivered the workshops: *Neil Abela*, *James Pizzuto* and *Rebecca Bartolo*
